SUBJECT No. 216.

Translation of scientific works into Kannada.

Messrs. M. Venkatakrisnnaiya, Mysore City Municipality; and T Venkatappa, Shimoga Taluk.

Summary of discussion.—Scientific works may be translated into Kannada and made available to the Kannada reading public.

Reply of Government.—The replies given to this subject in the previous years may be taken as final.

SUBJECT No. 217.

Circle Inspectors.

(1) Messrs. Amble Anniah Pandit, Yedatore Taluk; and M. Venkatakrishnaiya, Mysore City Municipality.
(2) Mr. Varadachar, Chikballapur Taluk.

Summary of discussion.—(1) To assist the Deputy Inspectors of the Educational Department, there are Sub-Deputy Inspectors. The appointment of Circle Inspectors causes an extra charge to Government. Either the Deputy or Circle Inspectors' posts may be abolished.

(2) Last year it was represented that the posts of Circle Inspectors should be abolished. It is now suggested that these appointments may be retained as good work is turned out by them.

Reply of Government.—Will be referred to the Retrenchment Committee who are considering the question.

SUBJECT No. 218.

Raising Municipal allotment for primary education in the capital to Rs. 20,000, and transferring the grants for secondary education to Government.

Mr. Venkatakrishnaiya, Mysore City Municipality.

Summary of discussion.—The Municipal allotment for primary education in Mysore may be raised to Rs. 20,000 and the grants for secondary education may be made by Government.

Reply of Government.—The question is under consideration.

SUBJECT No. 219.

Compulsory Education.

Messrs. C. Srinivasa Rao, Chikmagalur Taluk; K. Sankaranarayan Rao, Nagar Sabha; Varadachar, Chikballapur Taluk; Amble Anniah Pandit, Yedatore Taluk; M. C. Rangaiengar, Venkatakrishnaiya, Hassan Ali Beg and Madappa, Mysore City Municipality; and Nanjundasetty, Seringapatam Municipality.

Withdrawn.

SUBJECT No. 220.

Free education in primary schools in the Mysore City.

Mr Amble Anniah Pandit, Yedatore Taluk.

Summary of discussion.—While thanking the Government for ordering the abolition of fees in primary classes throughout the State, it is prayed that the same concession may be extended to similar schools in the Mysore City and that the pay of the teachers may be raised from Rs. 8 to 10.

Mr. Venkatakrishnaiya said that fees were abolished in Government schools but not in aided schools and that the students of the latter therefore left them and joined Government schools. He therefore asked that some help might be given to aided schools in the matter.

Reply of Government.—The question is under consideration.
